The New Hampshire Department of Transportation announces nighttime bridge repairs are scheduled to take place in Nashua on the northbound Everett Turnpike bridge over the Nashua River on Thursday, November 8, 2001.

These expansion joint repairs will require single lane northbound traffic on the bridge from 10:00 pm Thursday until 5:00 am on Friday, November 9.

Uniformed officers, arrow and message boards and cones will be used to guide motorists through the work zone.
